

The 8th International Conference on Road and Airfield Pavement Technology (ICPT2013) 14-18 July 2013, Taipei, Taiwan

Call for Papers

You are cordially invited to submit an extended abstract to the **8th International Conference on Road and Airfield Pavement Technology (ICPT2013)** to be held in **Taipei, Taiwan from July 14 to 18, 2013**. Extended abstracts are due on September 30, 2012.

The objective of the conference is to provide a platform for researchers, engineers, and practitioners from around the world to exchange ideas, research findings, practical solutions, etc. that will lead to the advancement of roadway and airfield pavement technology. The conference theme will focus on the state-of-the-art and state-of-the-practice in the areas of sustainability and innovations in all fields of pavement and related engineering.

Papers may be submitted on the following topics:

1. Pavement Design, Evaluation and Performance
 - Advanced analytical and computational techniques in pavement engineering
 - Pavement Mechanics
 - Innovative Pavement Design
 - Pavement Instrumentation and in-situ Testing
 - Accelerated and full-scale pavement testing
2. Pavement Construction
3. Pavement Materials Characterization
4. Sustainability in Pavement Engineering
 - Cost-Benefit Analysis
 - Energy Related Topics
 - Pavement Recycling
 - Warm Mix Asphalt
 - Recycled Concrete Aggregate
 - Environmental Issues Associated with Pavement Materials and Construction
 - Sidewalk & Bikeway Design
5. Pavement Maintenance and Rehabilitation Techniques
6. Pavement Preservation
7. Pavement Management Systems
8. Pavement and Transportation Safety
 - Pavement Surface Characteristics
 - Pavement-Vehicle Interaction
 - Pavement surface and subsurface drainage
9. Law and Enforcement
10. Other Topics

All accepted manuscripts will be published on the international journal "Advanced Material Research." Please visit its web site at www.scientific.net/conference-612 for further information. Selected papers will also be published in the following journals:

- Journal of Marine Science and Technology (SCI)
- International Journal of Pavement Research and Technology (EI)

Please submit manuscripts to submit@icpt2013.org. For detailed instructions on the format and submission requirements of the extended abstract, important dates, and other pertinent conference information, please visit the conference website - www.icpt2013.org.

Conference Chairperson

Jyh-Dong Lin, Ph. D., National Central University, Taiwan

Scientific Committee Co-Chairs

Deng-Fong Lin, Ph. D., I-Shou University, Taiwan

Chung Wu, Ph. D., PE, Virginia Department of Transportation

Organized by

Chinese Society of Pavement Engineering
